**GIATI INTRODUCES THE CLASSIC BEAUTY
OF THE ADAGIO COLLECTION**

GIATI Designs, Inc., manufacturer of quality crafted indoor/outdoor teak furniture, cast aluminum furniture, Market Umbrellas and imported European all-weather textiles, introduces the classically elegant **Adagio Collection**. This latest offering from internationally acclaimed designer, Mark Singer, boasts seven new designs. Each piece in the collection embodies the essence of lyricism and grace. Fluidity of line is masterfully combined with traditional curves, creating a collection of elegant simplicity and unparalleled beauty.

Utilizing plantation grown teak, all **Giati** teak furniture is hand crafted from wood graded with the highest levels of oil, resin and density. Mortise-and-tenon joinery using waterproof glues insures extraordinary stability and graceful aging. **Adagio** is an ideal choice for atrium, lanai, pool or terrace and is suitable for both residential and commercial applications both indoors and out.

Included in the **Adagio Collection** are a lounge chair, ottoman, armless lounge chair, chaise lounge, dining arm chair, dining side chair and a settee. The **Adagio Collection** is a choreographic masterpiece of romance and technical craftsmanship.

GIATI Designs, Inc. is headquartered in Santa Barbara, California. Giati products are available through a national network of designer showrooms and independent sales representatives.
